

## WeeRSweetz at Broadway

Myrtle Beach, SC

### Company Biography

Wee-R-Sweetz is a second generation family owned business known for our homemade salt water taffy. The taffy that we make is made from scratch in-house. The machines that we use in the store to make the taffy are over 90 years old. This is what draws people into the store; the sound of the machines, the smell of the candy and of course the amazing taste. When you walk in the store you see someone making the taffy and running the machines. This is why locals and tourists come to Wee-R-Sweetz. It's not just taffy, it's the whole experience. Although Wee-R-Sweetz is known for our salt water taffy we also make homemade fudge, chocolates, and dipped fruits. You will interact with people from all over the world as they come into the store in Broadway at the Beach. Broadway at the Beach is an outdoor shopping, dining, amusements and cinema complex located in Myrtle Beach.
