Most of our modern, spacious units offer water views, fireplaces, private porches and full kitchens. Click on our accommodations links for specific details.

Eat, sleep, relax and enjoy at our unique, waterfront property on the shores of Northern Door County. Play tennis or use our new exercise room. For the adventurous, use our kayaks or go fishing and catch your dinner on our docks (or bring your own boat).

Visit one of the many restaurants and artist shops within a five minute walk from the resort. Enjoy some of the most beautiful sunsets in Door County while sharing time with friends and family at our beachside fireplace.

Bayview Resort & Harbor, Inc's history dates back to the very early days of Ellison Bay, when commercial fishing was (and continues to be) a very important aspect of the Door County economy. In the late 1930s, a local fishing family built the first commercial pier and a few fishing shanties in Ellison Bay. These shanties formed the humble beginnings of Bayview Resort & Harbor.

The Smiths ventured to Ellison Bay in the 1970s and the rest is history. For the last 42 years, we have poured our hearts into creating a place where people can take refuge from the grind of everyday life. We would like to extend a warm welcome to you and your family.
