PLACEMENT INFORMATION

Job Description:

You will read tickets and fulfill orders accordingly with accuracy and speed. Most orders will involve selecting a bagel and adding cream cheese or selecting a pastry. The kitchen will make the hot food. You will be required to match the kitchen ticket to the front counter ticket and deliver the food to the customer. You will also be responsible for stocking the front of the house, cleaning the area, cleaning the store in general, taking out the trash, communicating with the kitchen, being pleasant to other staff and customers, and if possible, using the clover cash register (although this is not a requirement of the job if you cannot do this). You will be standing all day with one break of ten minutes. You will fill the bagels, ice cups, fill cream cheese, sides and pickles. Friendly and team players are the best candidates. This is a very busy store. If you are not good under pressure this will not be a good fit - you need to hustle here- but the tips are worth it. The summer season is three times as busy as a winter day. We need employees who can work in a neat organized quick and accurate manner who won't get frazzled when the line is wrapping around the store. You will be expected to stand for the entire shift and always be busy. No cell phones are allowed on the floor and one ten minute break is provided.
